

## ***SYDNEY CIDERY***

Sydney Cidery is a contemporary, urban-style craft bar, in Sydney's popular World Square precinct.

At Sydney Cidery we're dedicated to bringing you Australia's best cider, hand crafted beers and a fine menu selection of tasty eats.

We understand the stresses of organising celebrations and special events. No matter how big or small, we have a dedicated events team that will look after you and your guests.

We are located in Sydney's CBD, which is only a 5 minute walk from Town Hall and Museum stations.

## ***THIS SPACE***

Sydney Cidery emulates an urban distressed appearance, oak and copper tones, herringbone flooring and a bar constructed from recycled brass pipes and bridge timbers.

Tall, solid tables and stools stand before the bar, whilst leather tub chairs with copper detailing and industrial style tables and light fixtures spread throughout.

The bar opens up into a very airy and spacious terrace overlooking World Square, creating a cosy night spot, nestled with tables, bar stools, heaters, and large pillars, that enclose the area.

To pair with our delicious food menu, our drink menu includes imported wines, ciders and craft beers.

Explore our seasonal best menu sourced from local suppliers, with bites to share or enjoy all to oneself. Welcome to Sydney Cidery where there is something for everyone!
